In re: Kerwin vs. McConnel, case no. 05-93 ERIE

I sent you requests for production of documents and interrogatories in the above case on December 10, 2005. You were informed in that discovery paperwork that you had 30 days from the date of service to respond. It has now been 33 days since I sent you those discovery requests and I still have not recieved anything from you in response to them.

If I do not recieve a response from you regarding those discovery requests by January 20, 2006 I will file a motion to compel this discovery with the court and move for sanctions and expenses. I await your response.

Respectfully,

Ryan Kerwin
